

BRINGING THE CITY TOGETHER!

Collinsville is known for its rich history, lively festivals and prime location, but its most cherished attribute is the Community.

This year, the Collinsville Community Collaboration (C3) event is bringing the community together to showcase all the City has to offer - and we want you there!

This event is designed to educate the region on our City's accomplishments, potential and livability by highlighting the school system and all the incredible businesses and organizations that make Collinsville great!

Celebrate
Collinsville
Community

When: August 23, 2017

Time: 5PM - 7:30PM

Where: Gateway Center
